CONCEPTION/LIFE

Of GOD, life HE does give.
Of their souls, flesh HE gave them to live.

That they might last and grow,
Conception was how their seeds would sow.

At life GOD grants their soul.
At conception their life begins its role.

TEARS

Oh my GOD is crying;
another child is dying.

Another day has passed away;
the world looks the other way.

A mother gives the last right;
the little life is in a plight.

They take it by abortion;
the gift is not their portion.

TORMENT

He was a surgeon helping society,
abortion had propriety.
It was the end of his show,
he had left his body and didn't know!
Now he wanders a solemn street,
chilled by stomping little feet.
He looks that way,
he doesn't want to stay!
He returns to wandering down the street,
a child is stomping those precious little feet.
But, there is no one around;
just that haunting sound!
