### **The pronunciation of the name YHWH**

## Judges 13:18

But the angel of YHWH said to him, "Why do you ask my name, seeing it is **INCOMPREHENSIBLE**?"

The name YHWH is very old and it's **GENERALLY ASSUMED** that the source texts of the [Torah](#) already contained it. It is similarly likely that the Book of the Covenant, which [Moses](#) read aloud to the [Israelites](#), contained it too (Exodus 24:7).

For reasons we will discuss below, the Name became (or had always been) **UNPRONOUNCEABLE**, and wherever the text called for YHWH, a reader would pronounce the [Hebrew](#) word for lord, namely [Adonai](#). In the Middle Ages, the [Masoretes](#) began to fear that the traditional pronunciation of the written text might become lost and inserted symbols to help preserve it. That caused the pronunciation of the word Adonai to be linked to the spelling of YHWH, which in turn resulted in **THE IMPOSSIBLE HYBRID** "name" [Jehovah](#).

Other [Jewish](#) traditions handled the vocalization of YHWH by inserting the word Hashem, which is the word for "name" (see our article on [Shem](#), which means name) plus the definite article: The Name.

## The temple of YHWH

The seemingly casual command to 'write' something on all doors (Deuteronomy 6:9) and hands and foreheads (Exodus 13:9) calls in fact for the invention of a writing system that could be mastered by everybody. This is a very big deal, and it resulted in the most powerful tool of data preservation up to this common age.

We moderns are so used to reading and writing that we often forget what an incredible miracle the alphabet is. It took many peoples many millennia to develop it and the main contribution of the Hebrews was the invention of vowel notation. Vowel notation was the capstone that completed the alphabet, and which made the previously esoteric art of writing and reading available to the masses. Prior to vowel notation, script was basically a mnemonic tool that helped **SPECIFICALLY TRAINED PRIESTS TO MEMORIZE SACRED TEXTS READING & REPETING WITH OUT UNDERSTANDING**. After it, script allowed **ANYBODY TO BE A PRIEST THERE IS ONLY ONE TEACHER X THE ONE 7 ONLY TRUE MOST HIGH GOD X JOHN 6.45 X ISRAEL WITH HIM**, and give an entire nation a collective living memory (Exodus 19:6).

The alphabet quite literally allowed nations to become alive and be endowed with a singular living and thinking mind **BRAINWASHED BY SCHISMS X TOG 15 OR GUARDED THROUGH ISRAELING WITH THE ONE 7 ONLY TRUE MOST HIGH GOD X TOG 17 & TOG 16**, in precisely the same way in which the Creator had once collected the dust of the earth into a viable body and infused into that body **THE BREATH OF LIFE ~ 1/∞ OF THE SOUL OF THE ONE 7 ONLY TRUE MOST HIGH GOD X TON 1 pages 354 ~ 359 & 384 ~ 388** (Genesis 2:7). Much later, the Creator would do that exact same thing once again when he gathered believers into a viable body and infused into them the **HOLY SPIRIT MATTHEW 28.20 X THE SOUL OF JESUS X THE SOUL OF THE ONE 7 ONLY TRUE MOST HIGH GOD** (compare Genesis 13:16 to ~~GALATIANS 3.7 and ACTS 2.2~~). YHWH is the second creation name of God, as the Creator's name "changes" from [Elohim](#), the Maker of Elements, to YHWH Elohim, the Applier of Elements in Genesis 2:4 (see for a closer look at this our article on the [Chaotic Set Theory](#)).

And sure enough, modern information theory (starting with Claude Shannon in 1948) tells us that, indeed, the universe is basically a data-processing device that began its core business of storing and processing information as soon as there were particles to combine and arrange.

The Hebrew scribes who invented vowel notation didn't create new symbols for vowels but instead used symbols that already existed and until then had only represented consonants, namely the letters ם ([yod](#)), ה ([he](#)), and ו ([waw](#)). And to give an example: the word דוד is either the monosyllabic *dod*, meaning beloved, or it is the disyllabic *dawid*, which is the name [David](#). These three symbols became the markers for both the Hebrew identity and Hebrew theology, and ultimately formed the name יהוה (YHWH), not unlike the famous Hindu mantra *AUM*, which also represents the whole of everything whilst consisting of the three basic phonetic components of speech.

The [Phoenicians](#) had invented the consonantal alphabet to which the Hebrews added the vowels, and the story of [Solomon](#) and [Hiram's](#) mostly Phoenician temple in which YHWH came to dwell obviously reflects the birth of modern script (1 Kings 8:10-11). Writing didn't depend on a perishable human brain to retain data, which is why the Psalmist triumphantly exclaimed: "will you not allow your Holy One [i.e. the Word] to undergo decay" (Psalm 16:10, 49:9, [ACTS 2:27](#)).

The word אל ([El](#)) was the name of the prominent [Canaanite](#) god, whose name was either derived of or became the common word for god in general. The plural of this word is אלים; gods. With the addition of the letter ה, creating the word אלהים, the Hebrews not only stated essential monotheism (by naming a single God after the plural word "gods") but also marked their God as theirs: Elohim is the singular pantheon of the vowel-people.

Something similar occurred when the name of patriarch [Abram](#) (אברם) was expanded with the *he* into [Abraham](#) (אברהם), and the name of matriarch [Sarai](#) (שרי) was expanded with the *he* to [Sarah](#) (שרה).

### Etymology of the name YHWH

The name YHWH may be an **ARTIFICIAL CONSTRUCT** of the Hebrew language's available vowels, which would be equivalent to our A-E-I-O-U. Better yet, the name YHWH may actually be YHW(H), where the final H is a common suffix that indicates formation (ever-growing place of, ever-expanding house of — a similar final H occurs with the name [Pharaoh](#)), and the first three letters the "name" by which the alphabet was known in Hebrew, equivalent to our English "name" for the alphabet: the alpha-beta, or the ABC.

If YHW is indeed the Hebrew way of saying ABC, the reason why the pronunciation of the Name was lost becomes immediately clear: **IT WAS NEVER LOST BECAUSE IT NEVER EXISTED**. Since each of the three letters Y-H-W can either be pronounced as a vowel or as a consonant, the Name has *eight* possible basic pronunciations (including EEAAOO and Yahoo and YahaWa), and by choosing one we deny the other seven and simultaneously demonstrate that **we DON'T ACTUALLY KNOW THE NAME OF THE ONE 7 ONLY TRUE MOST HIGH GOD**.

And even if the name YHWH existed before the Hebrews began to note vowels (which is probable), they may have chosen for their vowel-symbols the letters that made up the already existing name of their God. That means that the name YHWH may be a proper word, derived of some verb, which subsequently came out existing of only vowels. If that is so, the etymology of YHWH **IS UTTERLY UNCLEAR, AND THEREFORE SUBJECT TO MUCH DEBATE**.

The key scene in this respect seems to be Exodus 3:13-15, where God names himself first: אהיה אשר אהיה (I AM WHO I AM), then אהיה (I AM), and finally יהוה (YHWH) and states that this is his name forever and a memorial name to all generations. <sup>SUPRA</sup>

It has been long supposed that YHWH was derived from the verb that is used to make I AM, namely היה (*haya*), meaning to be or to become, or rather from an older form and rare synonym of *haya*, namely הוה, *hawa*, hence *y-hawa* or *yahweh*, the proper imperfect of the verb, thus rendering the name either **BEING** or **HE IS**. (But note that the Hebrew language is far more dynamic than our modern languages. The verb to be indicates an action that intimately reveals the nature of the one who is doing the acting. For more on this, see our article [To Be Is To Do](#)):

Excerpted from: Abarim Publications' Biblical Dictionary

## היה

The verb היה (*haya*), or its older version הוה (*hawa*), means to be busy acting out the behavior that defines that which acts. This verb never describes static existence (the dog *is* outside) but always the performance of a specific behavior that defines whichever is behaving in such a way (the dog *is* outside *barking, sniffing, chasing squirrels, digging up bones and running off the mailman*).

# הוה

Very curiously, the verb הוה (*hawa* II), which is identical to the older version of the verb that means "to act definingly," appears to mean to fall. This may be an inconvenient coincidence, but much more likely reflects the deep insight that the development of defining behavior inevitably requires the falling away of certain rejected behaviors. This connection between "being" and "falling" may even be among the few driving forces of evolution.

Noun הוה (*hawwa*) means either a bad kind of desire or lust, or ruin or destruction. Nouns היה (*hayya*) and הוה (*howa*) describe destruction, calamity or ruin.

— See the full Dictionary article —

HAW Theological Wordbook of the Old Testament goes even further as it states, "...there is a problem with the pronunciation Yahweh. It is a strange combination of old and late elements.[...] In view of these problems it may be best simply to say that YHWH does not come from the verb *hawa* at all. [W]e may well hold that YHWH [...] is **AN OLD WORD OF UNKNOWN ORIGIN** which sounded something like what the verb *hawa* sounded in Moses' day. However, if the word were spelled with four letters in Moses' day, we would have expected it to have had more than two syllables, for at that period all the letters were sounded". Meaning: if people in the time of Moses indeed wrote the Name as יהוה, and they would have still pronounced it, it would have sounded like Yahay Wayhay.

In other words, the name YHWH **LOOKS LIKE A HYBRID OF TIMES**, as if it cannot be localized but spans **CENTURIES OF EVOLVING GRAMMAR** CALL YOUR GOD WHATEVER U WANT **X i WILL CALL my GOD THE ONE 7 ONLY TRUE MOST HIGH GOD**. Then it also looks very much as if it was derived of a verb that means to be, but which is spelled differently than the regular verb to be, and similarly to a verb that means something very bad. Perhaps all this confusion, or rather, this wide pallet of negotiations is what this Name most essentially conveys: **EXISTENCE IN ITS BROADEST SENSE**, yet unlike any regular human perspective; **A BLESSING TO THE WISE** REVELATION 13.18 X TOG 14 "REQUIRES 4 A BLESSING OF WISDOM", **BUT THE UNDOING OF THE WICKED** TOG 15.

On the other hand, perhaps the name YHWH means Tom, Dick or Harry in a language that has slipped out of the collective human consciousness and we are left with the echoes of a revelation that was as sincere and confidential as the word *abba*: daddy.

## YHWH meaning

After all this it should be clear that the name YHWH **CAN'T BE READILY INTERPRETED**.

If we're dealing with an expression of the verb הוה (*hawa* II), and we maintain that this verb means to fall, then YHWH would mean **Falling**, or **He Will Fall** or **He Will Cause To Fall**. This line of reasoning may seem to lack any trace of sound theology, but the divine name Shaddai reflects a similar negative, and may mean My Destroyer. The prophet Isaiah writes, "Wail, for the day of YHWH is near. It will come as destruction (*shad*) from Shaddai" (Isaiah 13:6).

But perhaps we have the verb הוה (*hawa* II) all figured wrong, and הוה (*hawa* II) is the same as הוה (*hawa* I), meaning to be or to happen. Then YHWH would comfortably mean **Being** or **He Is** or **He Will Cause To Be**.

Here at Abarim Publications we are most charmed by this particular explanation. **TIME AND AGAIN THE BIBLE URGES ITS READERS TO FOCUS ONLY ON THAT WHICH IS REAL, ON "THAT WHICH IS"**, and steer clear from **MUMBO-JUMBO, SUPERSTITIONS AND NONSENSE**. To the modern world Yahwism may seem like just another religion but to the ancients it wasn't. The **ANCIENT ISRAELITES** Jews 600 BCE 2 PRESENT EZRAITES were known as the people without a god (meaning without an effigy)

and it appears that [Christians](#) in the Roman empire may have been accused of atheism (again meaning without a visible deity; see Cassius Dio 67.14).

**THIS IS INCORRECT THEIR DEITY WAS ~ IS ~ EVER SHALL BE** SOL INVICTUS 61666

Even though the name YHWH is etymologically difficult to explain, to a Hebrew audience it may have looked very much like **He Who Causes "That Which Is" To Be**.

## The brilliance of Yahwism

**YAHWISM** A SECT OF JUDAISM, **THEREFORE, CAN BE MOST APTLY VIEWED AS A KIND OF PROTO-SCIENCE**; it's the syntax of science and focused on reality first and foremost. And no, Yahwism **IS NOT A RELIGION** that appeared to work really well; it's **THE SYNTAX OF SCIENCE** WORKING TO DEFINE **THE ONE THING X THE NAME & SELF OF THE ONE 7 ONLY TRUE MOST HIGH GOD** THAT CAN'T BE DEFINED MAKES IT A RELIGION that worked really well which received the name Yahwism. **LET** each & every one of us **ISRAEL LAMENTATIONS 3.40 & 41** Where the vast majority of pagan religions venerate society's stratification, Yahwism emphasizes the importance of the individual (hence the idea of YHWH's [Christ](#) being [Jesus](#) of [Nazareth](#); the quintessential Average Joe) VIOLATES 7.14 **ISAIAH X JOHN 14.7 X REVELATION 5.6 JEREMIAH 17.7**. Pagan religion wants blind obedience **ISAIAH 10.1 ~~~3**; Yahwism wants insight and responsibility. **LET** each & every one of us **ISRAEL LAMENTATIONS 3.40 & 41** Pagan religion **TOG 15** wants a reverential and essential gap between the holy and the profane; Yahwism dictates that **GOD WANTS 2 FELLOWSHIP WITH** mankind **ISRAEL** — and **JUST PAUSE TO DWELL ON THAT FOR A BIT**.

There are over a hundred references in the Old Testament alone of the Lord stating that **HE WILL OR WANTS 2 BE WITH** us **ISRAEL THE PROCESS OF** one **STRIVING WITH** one **THE 7 ONLY TRUE MOST HIGH GOD OR** one **THE 7 ONLY TRUE MOST HIGH GOD STRIVES** (Genesis 26:3, Exodus 3:12, 1 Chronicles 28:20, Isaiah 53:5, Job 29:5), and although we moderns are probably used to that idea, there is nothing like this to be found in any of the cultures that surrounded Israel during Biblical times. The name [Immanuel](#) expresses purely a Yahwistic concept (Isaiah 7:14), as obviously does the Word of the **LORD BECOMING FLESH TOG 2**, dwelling among us ([JOHN 1:14](#)), and appointing disciples "that they might be *with* Him" ([MARK 3:14](#)).

Here at Abarim Publications we love science (and if you haven't already, check out our articles on [quantum mechanics](#) and [chaos theory](#)) but we are privately convinced that there is a greater source of knowledge than science. Or let's rephrase that: it seems to us that Yahwism in its natural form is the great unrecognized foundation of science and any kind of veritable knowledge. We know beyond doubt that there are Yahwists among us who know far more than any scientist; they don't publish and that's why the general public doesn't know about them, but they are there.

Our brains are made up of particles that have been around since the beginning of time, and just like ants *must* build an ant-hill in obedience to ant DNA, so *must* mankind come up with a model of reality in obedience to human DNA. In other words: the whole picture lies in our **MINDS** hearts, and that which we call inspiration or having a hunch, or even simply an idea for a hypothesis, comes straight from our **CORE OUR MIND** heart-of-hearts (Deuteronomy 30:14, Jeremiah 31:33 **ISRAEL**, [ROMANS 2:15](#), [HEBREWS 10:16](#)). The trouble humanity faces is that we've been believing and teaching each other the wrong things **TOG 15**; we look in a mirror dimly, so to speak ([1-CORINTHIANS 13:12](#)), and our thinking has to be renewed ([ROMANS 12:2](#)) **TOG 8 X TOG 17 X TOG 16**.

A mind **TOG 8 X SEE CHANGES TO** heart **ABOVE** which is trained in Yahwism will automatically be good at science, whereas a mind which is trained in paganism will automatically jump too quickly to conclusions and will base these conclusions on emotions rather than observations. Whether science will lead to bliss or to destruction depends wholly on whether man worships his knowing self or the Creator (for more on this, see our article on the familiar word [Amen](#)).

Also have a look at our articles on the [Greek](#) word πιστις ([pistis](#)), meaning "faith" and the word θεος ([theos](#)), meaning God.

### EXCERPT FROM TOG 1 4 AHA

"Then Moses said to GOD, 'If I come to the people of Israel and say to them, 'The GOD of your fathers has sent me to you,' and they ask me, 'What is HIS NAME?' what shall I say to them?' And GOD said to Moses, "I AM WHO I AM." Exodus 3.13 – 14. Use careful thought and reflection here. HE has no name but HE is ONE BEING! HE is when HE is not, HE is ONE SPIRIT! HE has titles, but HE is ONE PERSON! HE is only ONE, the "I AM WHO I AM", GOD! You have seen through the scriptures HE WALKED with mankind, HE SPEAKS to mankind, and HIS SPIRIT is with mankind. Now know HE is ONE GOD – ONE BEING – ONE SPIRIT – ONE PERSON; "I" – "AM" – "WHO" – "I" – "AM". HE is FIRST, GOD and HE is LAST, GOD and in between "HE" – "IS" – "WHO" – "HE" – "IS" and ALL TOGETHER THEY make up the SEVEN FACETS of GOD, the ROCK

of SALVATION! You know HE created you in HIS IMAGE. Now apply this to you, “you are who you are”, you are a person, you have a body, you have a spirit you are a being. You are one as your GOD is ONE, because HE created you in HIS IMAGE. Do you now know HIM and HIS ONENESS and that HE is WHOLLY HOLY ABSOLUTELY TRULY the ONLY WAY, one on ONE, to GOD through GOD. Is HE your WAY, YAHWEH; your TRUTH, JEHOVAH; your LIGHT, IMMANUEL; and is HE with you at last, ALLAH? Aha, if HE is TRULY ALLAH then HE is also THOSE WHO came before! Aha, if HE is IMMANUEL, the CHRIST, then HE is also THOSE WHO came before and came after! Aha, if HE is TRULY JEHOVAH then HE is also ALL that HE IS! Aha, if HE is YAHWEH then HE is the WAY and you must know HIM all along the WAY! Aha, HE is AHA – the EXCLAMATION of TRIUMPH and SATISFACTION in LIFE & a SURPRISE to those on Judgment Day that don’t know HIM, and a JOY to those who do! Aha, do you know the AHA of GOD? Aha, anyone can play with words, but ONLY the WORD of GOD matters! Will you let the WORD of GOD come to you through GOD one on ONE so that HE can be your MATTER for LIFE?

What was and will be HIS PHYSICAL PRESENCE on earth? What do you think HE looked like when HE walked with Adam and Eve in the Garden, with Enoch, with Noah, with Abraham, with mankind during HIS visitation? When you see HIM, whom will you see? HIS SPIRIT today as before, dwells with HIS disciples, however now HE is in HIS FORTH FACET. Does HE dwell with you? Does HIS COMFORT preside in you? You only need answer to yourself, for GOD already knows! HE is the ONE GOD over heaven and earth and in LIFE. Those who know HIM will have LIFE and those who don’t will have Eternal Death! Seek HIM out for HIS WHOLLY HOLY ABSOLUTE TRUTH. Turn to HIM now and forevermore, and HE will welcome you and keep you on Judgment Day!

May you continue to understand who HE is through studying the scriptures and HIS WORDS of guidance, and HIS presence with ISRAEL, not the nation but the PROCESS for those who seek HIM one on ONE. Do you seek HIM one on ONE? Do you know by being in this work you are seeking HIM one on ONE because this work requires nothing of you but to do just that, to seek HIM one on ONE!

GOD is your guide, as HE was Moses’. GOD will provide for you as HE provided for the Hebrews, but you must trust in HIM. Exodus 3.15 – 22. Do you trust in HIM or in men’s religions, or just in your own ability? And in the end when you are dead and gone from the earth what will the last two accomplish for you? They will secure your eternal death, but HE and only HE can secure your eternal LIFE. Will you turn to HIM today? If not and you die tomorrow it will be too late.
